Diva Limousine Ltd. is a quality focused, people driven company. We are deeply committed to meeting the needs of our customers; we recognize that we can prosper only if we respond quickly to changing conditions and fulfill customer expectations better than our competitors.

When you request a hybrid as your chosen chauffeured vehicle, Diva Limousine Ltd. donates one dollar of your booking to stopglobalwarming.org.

Saving the planet one mile at a time.

Based on our comprehensive understanding of all our customers' needs, **we include hybrid vehicles within our fleet.** By offering chauffeured ground transportation in a hybrid vehicle, Diva Limousine Ltd. hopes to increase awareness on the climate impact of driving and provide new options to our environmentally conscious customers.

For a current list of hybrid vehicles included in our fleet, visit us at www.divalimo.com or call 1.800.427.DIVA today.
